

High-end bathroom furniture takes a home to the next level of style and comfort. For over 35 years, Acorn have supplied prestige bathroom furniture using the latest technology combined with contemporary styles. The union of modern forms and quality functions give customers a huge range of bathroom furniture combinations.

A family owned business, working closely with a number of trusted suppliers, ensures a seamless production and supply process. Designed and manufactured in the UK to our exacting standards, Acorn's large range of styles and thorough manufacturing processes enable the products to speak for themselves.

Vigorous testing of every component means our furniture can survive the harshest bathroom environment. We believe in our products so we offer a 5 year guarantee on all furniture within this brochure.

Acorn are proud to be an ethical manufacturer whose principles are founded on the reduction of our carbon footprint throughout the supply chain and a responsible approach to both quality and the satisfaction of our clients.

Acorn believe strongly that our planet is our responsibility, that is why for every furniture order supplied we secure the planting of a tree via the Eden: People + Planet project.

Specialist Advice

Choosing your dream bathroom can be an emotional decision. All Acorn furniture is available in 21 colours and various door designs giving unrivalled choice and design possibilities.

The ability to combine both modular and fitted furniture seamlessly in one cohesive design allows for truly customisable and unique bathroom design opportunities.

Ready to assist you along the way, your specialist local Acorn bathroom retail showroom has extensive industry knowledge and their dedicated service will turn your ideas and dreams into a bathroom reality!

Make a statement with a **modular** design

Go wall to wall with **fitted** furniture

Flawless Designs

The Acorn design team take inspiration from all aspects of life, bringing together, not only aesthetic beauty, but everyday practicality. Blending form and function seamlessly to create sensory products designed to be used in everyday sanctuaries to elevate your well-being.

Have it your way by combining **modular & fitted**

A creative selection of units and sizes will give you the ultimate fitted furniture bathroom presence. Complementary worktops really bring your designs to life. Fitted or modular; your room layout will be further enhanced with sanitaryware and accessories.

If you choose a worktop for your units, we have a superb range on page 144.

MODULAR

Our furniture is designed and expertly crafted in our UK manufacturing facility giving you piece of mind that quality is always assured.

Acorn furniture is available in 3 door designs including modern, contemporary and traditional.

Level Design With clean lines, this minimalistic slab door design gives a sophisticated yet modern feel to any bathroom design.

Laura Design Featuring a contemporary integrated handle, our Laura door allows for a seamless flowing aesthetic. Not available on 150mm wide doors. Not available on Tissue Dispenser Unit.

Milan Design For the more classic at heart, the Milan door brings true elegance to the more traditional bathroom design. Laura handle not available on Milan door: Not available on 150mm wide doors.

SERIES 46

Combining multiple Basin options with our range of Base Units enables you to build your bathroom in your own way. Series 46 features 46cm deep units giving you more storage and an enhanced design aesthetic.

12mm Solid Surface

Our worktop material is a solid waterproof and antibacterial material made of mixed granite granules and acrylic resins. It is extremely versatile and workable and can be cut and shaped using standard woodworking tools. Cut edges can be simply sanded and polished to the desired finish and minor scratches and damages can also be repaired. Available in 8 stunning finishes.

Level Design

Level Design

With clean lines, this minimalistic slab door design gives a sophisticated yet modern feel to any bathroom design.

Matt Fern, Level Design

Our Matt Fern finish is paired here with Neo Quartz worktops to create an organic character which brings a sense of the outdoors inside the modern bathroom.

Creating the design

Matt Black taps, handles & legs bring a satisfying complement here to the Matt Fern units. The curves of the Livello handles are echoed in the curves of the Livello basin.

Livello Matt Black Handle
Page 129

Slate Grey Gloss, Level Design

Our designers have combined Slate Grey Gloss with Matt Black accents in this functional and appealing design, bringing both valuable storage solutions and practical necessity together seamlessly.

Creating the design

Combining two handle styles into one overall design attaches an element of playfulness to this understated yet elegant design.

Wall mounted units also provide a special spectacle.

Cashmere Gloss, Level Design

A timeless opulence created through the use of Cashmere Gloss cabinets enriched with Neo Quartz solid surface worktops and beautifully finished with a mineral cast semi recessed basin. Combining wall and floor mounted elements helps to create flow in this chic design.

Creating the design

Ample storage for the things you want to hide and display space for the things you don't. This smart design is highlighted

with minimalistic but complementary details, from lights to handles, every detail counts.

Matt Tacora Red, Level Design

Naturally inspiring and functionally rewarding, the Level design units in Matt Tacora Red provide a muted yet fashionable aspect. The darker interior and white inline basin only add to the external clean, uncluttered styling.

Creating the design

The smooth curves of the Sima WC complement the unpretentious unit styling, with Chrome knob handles and taps

providing glints of richness. The room is dynamically lit from the LED border of the Konnex mirror.

Page 156

Stone Matt, Level Design

Our earthly influenced Stone Matt finish works well with Chrome handles and their curved profile complements the flat Level design doors. A Neo Quartz solid surface worktop is an elegant finish on top of the units.

Creating the design

Bridge curved handles provide effortless style and marry seamlessly with the Esta Chrome taps. Further curves transpire

from the Nemi basin and additional storage is found in the double door Konnex mirror cabinets.

BRASSWARE

ESTA

Bold yet understated, Esta offers basin mounted options, shower valves and a freestanding bath shower mixer giving you huge choice in your bathroom design.

PVD coatings possess a far higher resistance to wear than traditional gold plating and will stay on the product longer than traditional electro-plating and powder coating.
